

- You can lock your call log display by using an extension PIN (Personal Identification Number), so that you can prohibit access to your logged information. Refer to "3.1.2 Personal Programming".
- If a call arrives while you are using the call log, the call log display will be replaced with the caller's information.
- PS user: Refer to "Operating Instructions" for PS.

- To enter characters, refer to "1.3.14 Character Entry".

1.4.3 Directories

You can select and call using the directories (*Personal Speed Dialing Directory, System Speed Dialing Directory and Extension Number Directory*).

Only personal directories can be stored, edited or deleted on your extension.

If a call arrives while you are using a directory, the display will be replaced with the caller's information.

- ◆◆ Calling with the Directory
- ◆◆ Storing New Names and Numbers

◆◆ Calling with the Directory

To select and call

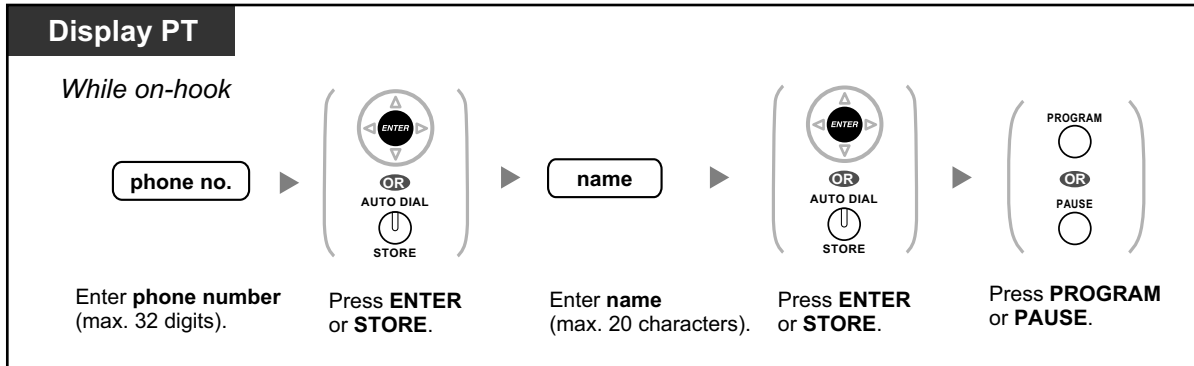

- * The display order is as follows:
One time: Personal Speed Dialing Directory
Two times: System Speed Dialing Directory
Three times: Extension Number Directory
- To cancel or exit, press the CANCEL or FLASH/RECALL button.
- You can lock your personal speed dialing directory by using an extension PIN (Personal Identification Number), so that you can prohibit access to it. Refer to "3.1.2 Personal Programming".

- Directory entries generally should include name and number. If the name is not registered, an entry cannot be displayed.
- The System Speed Dialing Directory can be displayed simply by pressing the AUTO DIAL button while on-hook.

◆◆ Storing New Names and Numbers

To store a Personal Speed Dialing Directory item

<Operation Example: Storing a name and an outside phone number in the Personal Speed Dialing Directory>

- Telephone number and name on the display are stored using the first spare Personal Speed Dialing memory available.
- PS user: Refer to "Operating Instructions" for PS.

- To enter characters, refer to "1.3.14 Character Entry".
- For more details, refer to "To store the names and numbers in personal speed dialing" in "3.1.2 Personal Programming".
